

Dear Friend,

Are you a master's / Ph.D. / postgraduate student up to 35 years old who is focused on energy business and speaking fluent English? Don't miss this opportunity to take part in a remarkable project in the energy sphere organized by leading industry experts for young people.

YOUTH DAY gives you an opportunity to:

- ✓ enhance your knowledge of the energy business;
- ✓ demonstrate your soft and hard skills to the leading energy companies;
- ✓ communicate with peers and top-level experts;
- ✓ create a professional network;
- ✓ discover career opportunities in the energy sector.

We are connecting leading industry experts and talented young people from different countries to transfer knowledge about the energy business and to search for new ideas and solutions.

To take part in the Youth Day events you need to pass several steps:

1. Fill the [registration](#) form until the 1st of July.
2. Get the confirmation mail on address you mentioned in the form.
3. Complete the qualification task. The first week of July you will get an individual case-study. You will have 3 weeks to complete it and send us your solution.
4. The authors of 20-40 best solutions will be invited to St. Petersburg to take part in **Youth Day** as part of **the 10th St. Petersburg International Gas Forum** on **September 13-15, 2022**.

Youth Day is an amazing three-day program of interactive events: team-building, business game, high-level meeting with experts of energy companies, etc.

Get more information and APPLY on www.energyyouthday.com till **July 1, 2022**.
